The report prepared at the end of each calendar quarter of the Vendee should also set forth with all reasonable detail the Gross Cash Margin, the Contribution Payment and the respective contributions to revenues of each equipment type during such calendar quarter.

8.4 Within 120 days after the end of each calendar year beginning with the calendar year ending December 31, 1986, the Vendee will provide to the Assignee an opinion from a firm of independent public accountants of recognized national standing to the effect that such accountants have reviewed the Vendee's computations of Contribution Payment required by Section 3.3 hereof and have concluded it to have been calculated in accordance with the Agreement or setting forth the adjustments, if any, which are necessary to make such computations in accordance with the terms of this Agreement."

SECTION 3. Section 9 of the Conditional Sale Agreement shall be amended by adding thereto an additional provision designated 9.3 which shall read in its entirety as follows:

"9.3. Anything contained in this Conditional Sale Agreement and particularly this Section 9 notwithstanding, the Vendee agrees that any Lender or the Assignee, upon 15 days written notice to the Vendee, may at any time require the Vendee to deliver possession of such Equipment to the Lenders or their agents as hereinafter set forth, provided, however, upon such delivery of all Equipment by the Vendee to the party designated to receive such Equipment, the Vendee's obligation to such Lenders hereunder shall be forgiven and terminated in consideration for the delivery and satisfaction of the terms of this Section of such Equipment. This Section 9.3 shall only be operative and the election of any such Lender or the Assignee to require delivery of Equipment pursuant to this Section 9.3 shall only take place upon the issuance of written notice from the Assignee to the Vendee, which notice shall be specifically designated as a "Section 9.3 Equipment Removal Notice".

Upon receipt of the Section 9.3 Equipment Removal Notice the Vendee will transfer all such Equipment in good order and repair conforming to all regulatory requirements and specifications applicable to rolling stock of the character of such Equipment, to a location named by the Assignee at the expense of the Vendee. The Vendee will warrant the good, legal and marketable title, free of all liens, encumbrances, claims, tax liens, assessments and government charges (other than the lien of the Assignee); and the Vendee will defend such title against any claims later raised. The Vendee will cooperate fully and execute any and all documents and sale agreements, including any government or agency documents, or any and all government agency requirements, including all Interstate Commerce Commission requirements, necessary for the lawful transfer and sale of said Equipment. The Vendee, will at its own expense, cause each Item of Equipment to be renumbered with such road number (car initial and number) as is directed by the Assignee. The Vendee will remain liable for the risk of loss of, or damages to, the Equipment and maintain adequate insurance until all Equipment has been accepted by the Assignee and the risk of loss has been transferred to the Assignee.

In the event any person taking delivery (subsequent to a Section 9.3 Equipment Removal Notice) of any such Item of Equipment from the Vendee shall

determine that such Item of Equipment is not in good order and repair (ordinary wear and tear accepted), the Vendee shall at its own cost and expense arrange to take delivery of such Equipment and provide all necessary transportation and storage in order to deliver such equipment to a location at which repairs can be undertaken. The Vendee shall (at its expense) repair such Equipment within 60 days of the Vendee's receiving notice of the determination that the Item of Equipment is not in good order and repair. After completing repairs the Vendee shall notify such Lender and the Assignee that the Equipment is in good order and repair and conforms to all regulatory requirements and specifications applicable to such Equipment. After giving such notice the Vendee shall store such Equipment as directed by the Lender at the Vendee's own expense for a period not to exceed 120 days and shall at any time transport such Equipment at the Vendee's expense to such location designated by the Assignee or such Lender.

The Vendee agrees that any sublease or assignment of the Equipment which would otherwise be permitted by this Conditional Sale Agreement shall if entered into by the Vendee after January 1, 1986, contain a legend on the first page thereof in all capital letters stating that such sublease is subject to the provisions of Section 9.3 of the Conditional Sale Agreement dated as of January 1, 1979, as amended, pursuant to which the Equipment subleased hereunder was financed and any sublease of such Equipment is subject to reclamation at the option of a creditor of LEF&C Leasing Company, Incorporated."

SECTION 4. (A) Section 15.1(a) of the Conditional Sale Agreement shall be amended to read in its entirety as follows:

"(a) The Vendee shall fail to pay in full any sum payable by the Vendee when payment thereof shall be due under Section 3 or 6 hereof, and such default shall continue for 10 days, provided, however, if the sole payment default of the Vendee is as a result of the failure of the Vendee to make full payment of the Minimum Payment, such event shall not constitute an Event of Default unless during a period of three calendar months the Vendee fails to pay at least \$210,000 as aggregate Minimum Payment plus Other Lender Minimum Payment for such period; or"

(B) Section 15.1 of the Conditional Sale Agreement shall be amended by adding thereto the following subsections (h), (i), (j) and (k) as follows:

"(h) The Vendee shall fail to pay in full any sum payable by the Vendee under any Lender Agreement, Lender Amendment, the Vendee-Evans Note, any indenture or other instrument of the company as and when the same shall become due and payable; or

(i) Any default shall occur under the provisions of Section 9 of the Security Agreement-Trust Deed dated as of July 1, 1986 between the Vendee and Security Trustee (the "Security Agreement"); or

(j) Any default shall occur in the observance or performance of any covenant or agreement contained in any Lender Agreement or Lender Amendment; or

(k) If any representation or warranty made by the Vendee herein, or made by the Vendee in any statement or certificate furnished by the Vendee in connection with the execution and delivery of the Lender Agreements, the Lender Amendments or the Security Agreement, is untrue in any material respect as of the date of the making thereof."

SECTION 5. Section 24 of the Conditional Sale Agreement shall be amended by adding thereto the following:

"The term "Lender", whenever used in this Agreement, means a creditor of the Vendee, named in Schedule I attached hereto, who is a party to one or more of the Lender Agreements.

(iii) a Railroad Car Lease Agreement dated October 2, 1978 between the Vendee and Evans Railcar Leasing Company.

(Such Lender Agreements described in (i), (ii) and (iii) as amended by the Lender Amendments are herein called the "Other Lender Agreements".)

The term "Lender Amendment(s)", whenever used in this Agreement, means one or more of the agreements dated as of July 1, 1986, amending the Lender Agreements.

The term "Lender Group", whenever used in this Agreement, means the Lender or the group of Lenders to whom the Vendee is indebted under any one of the Lender Agreements, as amended.

The term "Obligations", whenever used in this Agreement, means the outstanding indebtedness of the Vendee under the Lender Agreements, as amended by the Lender Amendments.

The term "Security Trustee" shall mean The Savings & Trust Company of Pennsylvania as security trustee under the Security Agreement."

SECTION 6. The Conditional Sale Agreement shall be amended by designating the first paragraph in Section 25 subparagraph 25.1. and adding an additional subparagraph 25.2., to read as follows:

"25.2. The Vendee will pay all reasonable costs, charges and expenses of special counsel incident to the preparation, execution, acknowledgment, delivery, filing or recording of the Lender Amendments, the Intercreditor Agreement and the Security Agreement."

SECTION 7. The Conditional Sale Agreement shall be amended by adding thereto Section 30 which shall read in its entirety as follows:

"SECTION 30. Maintenance Fund.

The Vendee agrees to establish a Maintenance Account with the Security Trustee to be designated Vendee's "Maintenance Account-LEF&C Restructuring" (herein called the "Maintenance Account"). The Vendee agrees to make payments to the Maintenance Account and the Security Trustee agrees to administer such funds for the account of the Vendee as hereinafter set forth.

(a) In any calendar quarter in which the Gross Cash Margin exceeds three times the Total Minimum Payment the Vendee agrees to deposit in the Maintenance Account an amount equal to ten percent (10%) of the excess of Gross Cash Margin over three times the Total Minimum Payment.

(b) As long as no Default shall have occurred herein, the funds on deposit in the Maintenance Account shall be used by the Security Trustee to equalize the maintenance expenses of the Vendee. In any month in which the maintenance expense of the Vendee, as certified in writing by the President of the

Vendee, exceeds one hundred twenty percent (120%) of the average monthly maintenance expense incurred by the Vendee during the previous six-month period, the Security Trustee shall permit the Vendee to withdraw funds from the Maintenance Account in an amount not to exceed the amount by which the monthly maintenance expense exceeded one hundred twenty percent (120%) of such monthly average maintenance expense.

(c) At any time the funds on deposit in the Maintenance Account exceed \$100,000 the Security Trustee shall pay such excess and a portion of any deposits by the Vendee which would cause such Maintenance Account to exceed \$100,000 to the Lenders to reduce the Obligations of the Vendee in accordance with the provisions of Section 2.2 of the Intercreditor Agreement."

SECTION 8. The Conditional Sale Agreement shall be amended by adding thereto an additional section to be designated Section 31 and to read in its entirety as follows:

"SECTION 31. Remarketing and Re-Leasing.

31.1. Upon (i) termination of this Agreement or (ii) the election of the Assignee pursuant to Section 9.3 hereof to take possession of the Equipment; the Vendee agrees that upon receipt of a written request from any Lender it will act as a nonexclusive agent of such Lender for the purposes of arranging the disposition of the Equipment. As such agent, the Vendee shall:

(a) analyze the then current market for used railroad equipment of the same type and age as the Equipment;

(b) advise the Lender as to the then comparable profitability of a lease or sale of the Equipment and give its recommendations in connection therewith;

(c) subject to the terms hereof, use all reasonable diligence and dispatch to arrange for the sale of the Equipment to purchasers upon terms favorable to and agreeable to the Lender; and

(d) arrange all documentation, including consents and agreements of necessary parties, necessary to complete the sale of the Equipment.

Upon the sale of the Equipment by the Lender, such Lender shall compensate the Vendee for its services as sales agent with a fee equal to five percent (5%) of the proceeds received for such Equipment from the sales transaction arranged by the Vendee (such fee shall be payable only if the above described written request of such Lender had been given to the Vendee).

31.2. If at any time during the term of this Agreement a Lender Group believes that its Equipment could be leased to a lessee other than the Vendee at an annual rate which would exceed the earnings on such Equipment from service as directed by the Vendee, then the Vendee agrees to within three days after notice determine whether in fact additional earnings would be forthcoming and cooperate fully in the sublease of the cars at the direction of such Lender Group if greater earnings will result from such sublease. The Lender Group will receive as a direct payment from the Vendee the excess earnings realized as a result of the sublease over the sum of (i) the historical earnings of the Vendee in its utilization of such Equipment during the previous 12 months plus (ii) any documented future increase in earnings which the Vendee expects to receive from its continued leasing of the Equipment."

SECTION 9. The Conditional Sale Agreement shall be amended by inserting an additional section to be designated Section 32 and to read in its entirety as follows:

The Vendee will not make payments to any Affiliate without the prior written consent of the Assignee, except for (i) reimbursement for maintenance of equipment owned or leased by the Vendee, such reimbursement to be upon fair and reasonable terms no less favorable to the Vendee than would be obtained in a comparable arm's-length transaction with a Person other than an Affiliate, (ii) reimbursement for insurance premiums and taxes (including current income taxes, if any) paid by affiliate in its behalf, and (iii) an annual management fee not to exceed \$90,000 for the rendering of management services in the ordinary course of business pursuant to the reasonable requirements of the Vendee and upon fair and reasonable terms no less favorable to the Vendee than would be obtained in a comparable arm's-length transaction with a Person other than an Affiliate. Such reimbursements and fees shall not include service fees, handling fees or other overhead costs.

"Affiliate" shall mean any Person (i) which directly or indirectly through one or more intermediaries controls, or is controlled by, or is under common control with, the Vendee, (ii) which beneficially owns or holds 5% or more of any class of the Voting Stock of the Vendee or (iii) 5% or more of the Voting Stock (or in the case of a Person which is not a corporation, 5% or more of the equity interest) of which is beneficially owned or held by the Vendee or a subsidiary. The term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of Voting Stock, by contract or otherwise.

"Person" shall mean an individual, partnership, corporation, trust or unincorporated organization, and a government or agency or political subdivision thereof."

SECTION 11. The Conditional Sale Agreement shall be amended by inserting an additional section to be designated Section 33 and to read in its entirety as follows:

"SECTION 33. Forgiveness of Certain Indebtedness. The Vendee represents and warrants to the Assignee and the Lenders that its indebtedness to Clarion River Corporation evidenced by the Note of the Vendee dated May 25, 1982, including accrued interest, has been terminated and the full amount of such indebtedness shall constitute a contribution by Clarion River Corporation to the capital accounts of the Vendee and evidence satisfactory to the Lenders of such capital contribution has been provided to the Assignee."

SECTION 10. The Conditional Sale Agreement shall be amended by inserting an additional section to be designated Section 34 and to read in its entirety as follows:

"SECTION 34. Term of Agreement. Notwithstanding the other provisions of this Agreement, this Agreement shall be effective for a term of ten (10) years commencing on July 1, 1986."

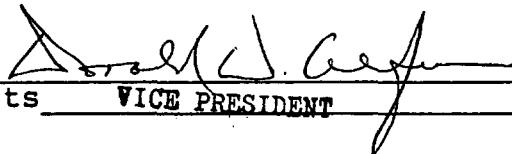

Any and all notices, requests, certificates and other instruments executed and delivered after the execution and delivery of this First Amendment may refer to the "Conditional Sale Agreement dated as of May 1, 1980" without making specific reference to this First Amendment but nevertheless all such references shall be deemed to include this First Amendment unless the context shall otherwise require.

This First Amendment shall be construed in connection with and as part of the original Conditional Sale Agreement and all terms, conditions and covenants contained in the original Conditional Sale Agreement except as herein modified shall be and remain in full force and effect.

The First Amendment may be executed in any number of counterparts, each executed counterpart constituting an original but all together one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective corporate names by their officers or representatives, thereunto duly authorized, and their respective corporate seals to be hereunto affixed, duly attested all as of the date first above written.
